

RF-RXU-DC5

5 Bay Charging Station for RF Underchin Receiver

CONTACTA RADIO FREQUENCY

The Contacta 5 Bay Charging Station is for use with the Portable RF Underchin Receivers (RF-RXU). The Charging Station can hold up to five receivers in a standing position. Two chargers can be daisy chained together to charge ten receivers using a single power supply.

The Charging Station is a convenient device to store and charge the Underchin Receivers when they are not in use, keeping them ready for the next application.

For additional storage and charging capability, a 10 Bay Charging Case (RF-RXU-DC10) is available.
