

IL-AE98

Window Mounted
Hearing Loop Aerial Kit

CONTACTA WINDOW INTERCOM SYSTEMS

The Contacta IL-AE98 Window Mounted Hearing Loop Aerial is designed for installation on a glass screen from the staff side, facing the customer. Mounting the hearing loop on the glass frees up counter space, protects the loop if the customer side of the counter is outdoors and the visibility of the large blue hearing loop sign lets user's know a hearing loop is installed.
